This is a simple header, with a € euro symbol in it.

This is a fairly simple word document, over two pages, with headers and footers.

The trick with this one is that it contains some Unicode based strings in it.

Firstly, some currency symbols:

GBP - £

EUR - €

Now, we'll have some French text, in bold and big:

Molière

And some normal French text:

L'Avare ou l'École du mensonge

That's it for page one

The footer, with Molière, has Unicode in it.

This is page two. *Les Précieuses ridicules.* The end.
