* A Nepalese name for Tilaka

* A nickname for Petrika the Albanian variation of Peter

* A title in certain Indian monarchies for a Crown Prince

* A place in Abkhazia

* A place on Saturn's satellite Rhea, named after the last place

* A name in various Indian languages (ṭīkā) for certain commentaries such as:

    * the subcommentaries of the Theravada tradition.

* A pendant worn in place of the red spot (tilaka [i] or 'tika') on the foreheads of Hindu women. Originally, the red spot was a sign which a priest would paint on the brow of a visitor to the temple. Later the tika became a standard part of the costume of a Hindu woman. The tika can be stuck on or drawn, or, in the form of a pendant, suspended between the eyes. Also known as Maang Tika.

* Tika Waylan, a major character in the DragonLance series of fantasy novels

* A software module for extracting text from binary files. Apache Tika is a subproject of the Lucene
